Wardrobe systems that will really get you hooked!

From simple, structurally sound stand-alone wardrobes, to classic, beautifully finished wood wall racks, the Rigid Rak™ line of products add to the ambience of any room.

Coat and hat fads may come and go, but Rigid Rak™ products will last and last. The entire line is constructed in the United States using the finest craftsmanship. Every product undergoes extensive durability testing and quality inspection to ensure the Rigid Rak™ product you receive is the epitome of durability.

Rigid Rak™'s wide range of wardrobe systems and accessories are made to order to fit your exact requirements. All Rigid Rak™ wardrobes are available with matching and suitable accessories. From brass hooks to low attrition hangers with skirt clips, you will always have a place to hang your articles of clothing.

Rigid Rak™ touts a wide selection of specialty hangers to go with every one of our systems.

Rather than display our product in an ordinary fashion, we decided that it would be best to give you a real world example of Rigid Rak™ in action. The following pages are a collection of photos where Rigid Rak™ has been used to benefit our customers. The photography is accompanied by brief descriptions and suggestions on how and where our products can benefit you.

Medical

Need a place to hang lab coats or smocks? Rigid Rak™ hook panels are the right choice. Want a place for your patients to hang jackets and garments? Try our wardrobe products with optional hangers and accessories. We have products for every decor and every office need.

Solid Wood Racks

Classic and deluxe solid wood wall racks compliment the most distinctive decor. Hand buffed, double lacquer finish and concealed wall mounts are our hallmark and make these racks especially elegant. Available in several natural wood finishes. Shelf tubing is powder coated steel or chrome. Select models equipped with wood shelf slats. Hanger pole is chrome, matching hangers are available.

Hook Panels

Rigid Rak™ solid wood hook panels are hand finished in a beautiful selection of natural wood colors. Combine panels and hooks (sold separately) of your choice to create the desired look. The classic wall customer is designed for executive offices. Only 3-3/4" deep, it can be mounted behind the office door. Panels are pre-drilled for concealed mounting.

Channel Mounted Wall Racks

Channel mounted systems are the perfect solution for any application where shelf height needs to be flexible. Formed steel mounting channels with positive clamp inserts provide the convenience of adjustable shelf height. Available with chrome hanger pole or butterfly hooks.

Tubular Steel Wall Racks

Rigid Rak™ tubular steel wall racks offer unique designs with clean, trim, contemporary lines. These racks are built to last. Hanger style racks have 1" diameter tubular steel hanger poles finished in chrome. Hook style racks include double prong butterfly hooks. Available in any length, these wall racks customize any space.

Wardrobes

Classroom wardrobes feature sturdy, all steel frames, legs, shelves, and double pronged butterfly hooks. Hook shelf is height adjustable. Order with or without end panels. Also available are semi-concealed wardrobes, which are designed for executive offices, conference rooms, and reception areas. Add one of these to tidy up any office. Hangers are included.

VelociRak & Free Standing Racks

The folding VelociRak offers a contemporary option for the portable rack. VelociRak will handle temporary or permanent coat room needs. When your guests have left, simply fold it, roll it, and store it. Feature straight clean lines, our free standing racks provide versatility for any standard or custom garment storage need.

Cubicle Hooks

Even the simplest designs can make a world of difference. Take the cubicle hook, for instance. Designed to hook over the edge of a cubicle or the top of a door, the cubicle hook makes a great temporary or permanent, unobtrusive place to hang and store personal belongings.

Keep on Edge

All wooden panels have the option of three edge profiles that increase the level of customization.

Wooden Panels

Rigid Rak™ wooden panels increase the beauty of your hook panel system. The synergy between the raw materials of wood and metal collide on your custom designed Rigid Rak™ hook panel product.

Hangers & Receptacles

Select from solid oak and solid maple, leather simulated plastic hangers, and bright commercial nickle chrome heavy gauge wire hangers. Available with open hook, ball top with compatible receptacles, and closed hook.
