Warranty: Whether you choose a Hale product in modern, contemporary or traditional style, you can be assured of the continual high quality that has made us the leading manufacturer of wood furniture for over 100 years. Should material or workmanship be shown to be defective, Hale will replace the item without cost, for **one year** from the date of purchase. The factory will determine if the product is defective and decide whether to replace or repair the product.

This guarantee is extended only to the original consumer-purchaser and cannot be transferred. Damage caused by improper handling, usage, or transit damage, does not constitute factory defect. Fully loaded furniture should not be lifted or moved.
