

THE BEST NAME IN RECORDS PROTECTION JUST GOT BETTER.

The most trusted name in fire-resistant storage proudly offers the FireKing® Storage Cabinet, now with convenient accessories. As always, your oversized documents, binders, end-tab files, Banker's Box® and other valuables are safely housed within our UL® Class 350° 1-Hour Fire Rated cabinet. But now, with FireKing's additional convenient storage accessories, you can organize and personalize your method of accessing your files any way you see fit.

Both the 72" four-shelf model and the 44" two-shelf model are equipped with a weight capacity of 160 lbs. per shelf, high-security Medeco® key locks, plus scratch-resistant Parchment powder coat finish for a lifetime of protection inside and out.

Convenient protection for document storage.

That's how FireKing's Storage Cabinet works for you.

Storage Cabinet options create a more efficient workplace.

End-Tab Filing

Store end-tab files with adjustable and modular end-tab

Pull-Out Tray

Create a convenient tabletop workspace in seconds with the Pull-Out Tray. It's sturdy enough to act as a writing surface, and it's easy to slide in and out of the cabinet when in use.

File Drawer

Our modular File Drawer comes in either a legal configuration, storing two rows of legal-sized folders side by side, or letter configuration, holding letter-sized folders in a single row.

Blueprint Holder

Organize, store and access blueprints quickly with this convenient accessory. Blueprints are stored unfurled and upright so that designs and schematics are stored for easy access and protection.
