

Workbenches: Mobile Workbenches

Why let productivity suffer because fixed work benches are located elsewhere? Mobile workbenches keep employees productive on the factory floor. These tough mobile benches help your company's productivity by keeping employees organized no matter where they are on the factory floor. Designed to move heavy parts and tools to your worksite, Mobile Workbenches feature all welded construction from heavy gauge steel. They are available in one or four drawer configurations. Standard features include: locking cabinet with one cabinet shelf, two fixed and two swivel casters for easy steering.

Please Note
 Standard Color: Medium Grey
