

PRINTED FILEBACKS & INDEXES

Fileback

Filebacks allow addition and removal of documents by section with factory-installed clip on each fileback. These efficient dividers can be produced in a wide variety of materials and can be custom imprinted and tabs laminated using various colors of mylar. Filebacks can be shipped non-collated or collated and linked together in the factory.

Indexes

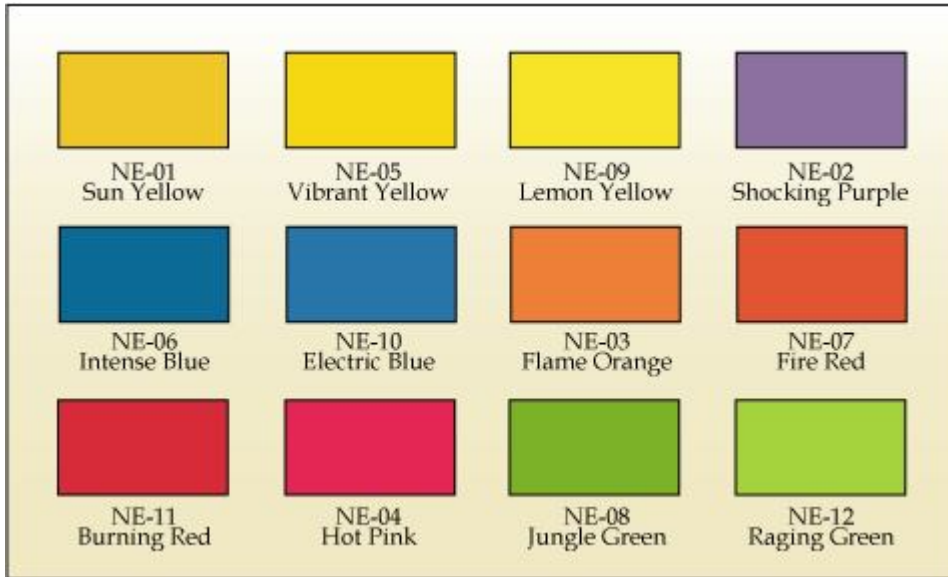

Custom index tabs provide easy access to information and efficient organization to files and pockets. Custom imprinting, various paper choices and many mylar tab colors are available in letter or legal size. Indexes can be shipped non-collated or collated into sets at the factory.
